UPDATE FROM EXECUTIVE CABINET  
*Submitted by Madelyn Street, President*

Colonels,

The search for a new Executive Secretary is underway. We have a number of great candidates. Hopefully I will have someone appointed by the end of this week. Don't hesitate to send in a resume!

The Library will be open 24 hours Sunday through Thursday following Fall Break! SPREAD THE WORD! We cannot justify paying for it if no one uses it.

The syllabus index will be up and running next week! Get ready, and tell all of your friends! This is one of the biggest initiatives of my administration and I want it to go perfect. Students need to actually use it for that to happen.

Keep supporting your colonels at the football game this weekend. Don't forget that it is a maroon out! Free t-shirts will be available on the hill!

We have 5 meetings left in the semester and I cannot wait to see what the Senators will accomplish.

Also, if anyone has a food allergy or knows someone with a food allergy, please contact me or send me their name. Enjoy your week!

UPDATE FROM SENATE  
*Submitted by Nichole Arbino, Executive Vice President*

Hello everyone,

We had a very legislation-full meeting yesterday! We are currently working on a video game checkout system, a 12th week grade report for Developmental courses and we also have IT grants out at the moment. (Those are due 11/2 if you know of anyone that may want to apply.)

November 11-17th is National Hunger and Homelessness Awareness week, and this year we will be collaborating with the Community Service Office on 4 events. Sunday November 11th at 8PM we will be showing a documentary. Monday November 12th we will be hosting the Hunger Banquet; at this interactive event, the place where you sit, and the meal that you eat, are determined by the luck of the draw—just as in real life some of us are born into relative prosperity and others into poverty. Tuesday November 13th we will be showing the movie “Don’t Call me Homeless, I don’t call you Homed;” this movie is actually a video of a play that depicts...
the life of Lexington's homeless, raising awareness of their plight and creating positive and lasting change on UK's campus and beyond. We will also be having cast from the actual show speaking at this event. Wednesday November 14th will be our Annual Shut In for the Shut Out Event from 6pm-8am. We will have a “Box City” outside of Powell in which students have the option to sleep outside during the night, we will also have cots set up in Powell lobby like a homeless shelter for students to sleep inside as well. We will be handing out T-Shirts at this event in exchange for a gently used shirt. Bingo will be at 9PM in Powell Underground, and it is 2 canned goods to get a set of bingo cards (either chicken noodle soup or Ravioli.) We will be showing the movie Rent at various times throughout the night, and we will be collecting 2 canned goods (either chicken noodle soup or Ravioli) for entry to Shut In for the Shut Out. We are really excited for this week of awareness programming!

I am happy to announce that the Student Court is finally full! We appointed a new Clerk, Sarah Thomas, on Monday, and Hannah Smith was confirmed by Senate on Tuesday. I am very happy with our new members and know that this Court will be able to do a great job in whatever comes our way.

Don't forget about the Halloween Meet and Greet on Wednesday, Oct. 31st in Middle Powell. Represent your branch and tell your friends to come by for free pizza, candy, and t-shirts!
